News Article: Prolamina and Ampac, two recently merged global flexible packaging firms, announces its new corporate name, ProAmpac. The new name reflects the merger of two leading, progressive and innovative flexible packaging companies with enhanced product offerings unparalleled in the industry.<br /><br /> ProAmpac includes four brand divisions including Prolamina, Ampac, Tulsack and Business Deposits Plus. Together, the brands offer multiple innovative solutions in flexible packaging for the food, pet food and medical markets, secure packaging for cash management, loss prevention and transportation of valuables and documents, and retail paper and plastic shopping bags.<br /><br /> The ProAmpac name and logo mark reflects the company's mission in providing a steadfast commitment to creative packaging solutions, industry-leading customer service and award-winning innovations to a diverse global marketplace. The icon mark shows forward thinking and progress which supports the ProAmpac mission. <br /><br /> ProAmpac will operate as the corporate parent company of the four brand divisions Prolamina, Ampac, Tulsack, and Business Deposits Plus. In addition, Prolamina's Terrebonne, Quebec, Canada site location will transition to the Ampac division, as its product offerings align with the adhesive laminated rollstock and pouching served by Ampac. Visit <a href="http://www.proampac.com" target="\_blank">http://www.proampac.com</a> to find out more about ProAmpac and its divisions.<br /><br /> ProAmpac CEO, Greg Tucker, states "The ProAmpac name allows us to clearly reinforce our commitment to the flexible packaging industry while building on the momentum that our two merged companies provide. Using our core values of Integrity, Intensity, Innovation and Involvement, we can leverage the strengths of all our brand divisions, as well as our skilled teammates, for a greater global impact."<br /> <br /><br />About ProAmpac<br />ProAmpac is steadfast in their unwavering commitment to provide creative packaging solutions, industry-leading customer service and award-winning innovation to a diverse global marketplace. It is a diversified global packaging company with over 2,000 employees and 16 manufacturing centers in North America, Europe and Asia.
